## About NPAS

The Northlake Performing Arts Society was founded in 1995 as an auditioned community choir to establish a venue for fine choral arts performance. Over the years, the NPAS Chorus has developed into an organization known for musical excellence and a high level of professionalism. NPAS recognizes that great music can inspire profound change in our lives, our community and our culture. NPAS is a non-profit organization whose purpose is to enhance and enrich the cultural life on the Northshore by using choral music as a catalyst to embrace and promote other art forms. The NPAS Chorus is truly a community organization with a wide range of professions, experience, musical training and ages blending together in a singular passion for beautiful music.

## About the Music

In addition to performing major classical works such as Handel's *Messiah* and the Mozart and Brahms *Requiem*, the chorus also presents semi-staged Broadway/operetta productions and contemporary literature encompassing patriotic music, folk songs, and revues. NPAS' repertoire over the past several years has included music from John Rutter, movie-goer favorites, music from Porter and Gershwin, and Carl Orff's *Carmina Burana*, a collaboration between Southeastern Louisiana University Chorus and NPAS.

## About the Future

NPAS raises funds annually to provide a \$500 college scholarship for a local student majoring in music at the baccalaureate level. NPAS is realizing a goal this season by creating a children's choir for students in grades 5 – 12. These children will perform with NPAS. NPAS is also to performing concerts in new and non-traditional venues throughout the Northshore region to share its music with an even larger audience.
