GiveNOLA Day is the community's **online** giving event designed to inspire people to give generously to the nonprofit organizations that are making our region stronger and creating a thriving community for all.

Every dollar **pledged** between **April 17th and May 1st** and/or **donated** from **12:01 AM May 2nd** through **midnight on MAY 2nd** will be increased with additional "lagniappe" dollars provided by the Greater New Orleans Foundation and their generous GiveNOLA Day sponsors.

GiveNOLA Day is tied to a national event called Give Local America.
